Ulverstone TAS 7315

On the 5th of April 2009 over 1400 eggs were hidden and roughly 200 enthusiastic children turned up to find the eggs that were hidden at Otto's Grotto park in Ulverstone.

At 9:30am on the word of GO kids rushed off in all directions and found their allocated amount of eggs (3 small ones and 1 large egg).

Our thanks are sent to Cadbury's for their donation.
