On the 21st and 22nd of March the Relay for Life was held at the Penguin Athletics Centre. Despite the rain, there was a massive turn out with more than 90 teams throughout the two days with many enthusiastic people present.

The representatives from LIFT were Zac Williams, Donna Allen and Charlie Smith. Zac's shift was 8.30pm – 9.00pm, with Charlie and Donna's shift 2am – 3am. The walking was tiring, but well worth the effort, raising awareness and much needed money for cancer.

It hit you fairly hard when you were walking around the track and you saw all of the candles in paper bags with messages written to family/friends that had passed on.

The night was a great experience and many thanks to the Central Coast Council for letting us being involved.
